Shooting Stars in the TCL League

TCL League Bursts into Life Again

Big thanks to all the players and parents who made the trip. First up had a difficult game against well organised IPSE which we lost 7-0, followed by a tense battle with Wasps which ended 7-4 , in the final game against Hounds the whole team put in a great performance and we we came out 7-1 winners. It was a fun day and all the whole team put in a top effort, Looking forward to the next fixture.

The Fireballs put in a really good performance at the start of the league beating a tough Hornets team 3-1 however we trailed the London Capitals for most of the match which finished 4-2.

Tips from Coaches – This Month's Tip

Floorball sticks and clothing make great Christmas presents. Also, most of our young players are growing rapidly and maybe now is a time to look at buying a new/longer stick. To check whether your stick is too short, place it vertically in front of you and it should reach to between the

bottom of your sternum and your navel. There is a [full guide to buying a stick](#) and where to get one on our website .

Familiar Faces in GB U19s

You may recognise some of the faces in the [photos of the national team trip](#) to the £30m floorball sports centre in Sweden. The Fireballs goalie, Rory, and some of the ex-fireballs took part in a weekend of advanced training, getting to meet some of the world's top professional floorball players like [Alex Ruud](#) and then managing to draw 4-4 against one of the best youth floorball teams in the world.

Have You Paid Your Membership Fees

We need to collect the £25 annual membership fees off everyone to help us with the start up costs at the beginning of each season. If you haven't paid, please could bring a debit/credit card or cash along on Saturday.

For those players playing in the TCL league it is also important that you take out a [UK Floorball Federation membership](#) so that we can take advantage of their public liability insurance.

If you transfer money online (but please email to let us know how much you paid online). You can transfer them online (bank sort code: 402105 account number: 51616714).

The other fees are £6 per session for pay-as-you-play or £45 for a whole term (this is cheaper per week).
